

Choose your Preventive Feline Petly Plans

Preventive care refers to

Our wellness exams and several diagnostic tests that give us the comprehensive view of your pet's overall health.

We want to ensure your pets have the longest, healthiest and happiest lives possible.

These prevention care plans are one of the best ways to help make it happen.

Our initial startup fee is \$99.00, this fee is in addition to the plan you choose. You may pay monthly or in full when you sign up.
